**MINSTERLEY PRIMARY SCHOOL PTA**

Dear Parents,

We are currently promoting the love of reading in every class in school and have created a 'Top 20 Must Read Book List' for each of the Year Groups.

You normally support us at Christmas via the PTA with donations on non uniform day going towards Christmas hampers, then purchasing Christmas concert & hamper tickets. This year we are asking families if they would be kind enough to purchase one of the books for their child's class.

These books will be kept in a special area in each classroom and available for all of the children to read throughout the year. We will be able to dedicate the books purchased by you with a special note of thanks that will stay inside the book as a long-lasting legacy.

All you need to do to purchase a book is to click on the amazon wish list for your child's class, add it to your basket and then tick the box that says 'this order contains a gift', which is where you can include your name and a message, please also use the delivery address of Minsterley Primary School gift registry address, this will mean it will automatically be delivered to school. You can then continue to checkout in the normal way. Once the book has been purchased it will be removed off the list to avoid multiple copies being purchased.

Please help support the school and make a direct difference to your child by purchasing a book instead of the usual donations you make to the PTA at this festive time.

Yours sincerely

Katie Wilcox
